Updation in the Annual report, 2017-18

1. The industries found running without registration have been listed under the un-confirmed area, however they are not established in the residential area hence, they have been merged in the list of the manufacturing/waste processors & Multilayer Packaging industries at **Annexure-1** and **Annexure-2** and the current status has been mentioned. Four no of recyclers have been added in the list which was not mentioned in the report. The direction for closure has been issued to those industries which have not submitted application for the registration.
2. The quantity of the plastic waste recycled by the waste processors of the State and the quantity of plastic waste utilised for the road construction by the MP Rural Road Development Corporation & the Madhya Pradesh rural road connectivity project have been mentioned in the **Annexure-3**.
3. The no of the Cantt Boards have been deleted from the list of the urban local bodies, hence the no of ULBs is now 278 in place of the 383.
4. All other Annexures are unchanged.

Minutes of MeetingFirst Meeting of State Level Advisory/Monitoring Committee to review implementation of Plastic Waste Management (PWM) Rules, 2016

Constituted and extended vide Order No. F-19-53/2011/1/A Dated 30.11.2016 of Government of Madhya Pradesh, General Administration Department.

First meeting of state level advisory/monitoring committee was conducted under the chairmanship of Principal Secretary, Urban Development and Housing Department.

Chairman reviewed the process of implementation of plastic ban in the state and appreciated the work of Municipal Corporation, Indore and also instructed Municipal Corporation, Bhopal to organize similar activities and penalize the violators.

- Chairman was brief about the installation of plastic and bailing machine in 18 urban local bodies (ULBs) and thereafter being sent to be used as fuel for kiln in cement industries.
- Chairman reviewed responsibilities of urban local bodies, and instructed to issue directions for implementation of plastic ban, also to furnish details as per Form-5. Also to ensure the compliance of PWM Rules, 2016 from producers, recyclers and manufacturers; as per the details received from MP Pollution Control Board (based on Form-I, II, and III submission to MPPCB, regarding registration of all producers/brand owners, plastic waste recyclers/processor, and plastic raw material manufacturer).
- Chairman also directed to issue letter to all ULBs for submission of Annual reports by all ULBs.
- Chairman after discussion with Industry representatives, suggested to write letter to CPCB/MoEF&CC as industry representatives requested for additional clarification from department / MPPCB on Plastic Ban. It was also requested that use packaging material and plastic carry bag and poly films vs Multi Films should be clarified further.
